Complete Denture- Upper	\$325 Plus Lab Fee

Specialty Care: (page 4)

EDS Specialists offer up to 25% off their normal office fees for services specifically described in the EDS700R schedule of benefits. A referral from your General Dentist is not required. (page 4)

Orthodontic Coverage For Adults and Children: (page 6)

EDS Orthodontists offer 25% off their normal and customary fees. EDS Coverage must be maintained for the duration of treatment to avoid customary fees. Individuals receiving treatment under another program are not eligible to participate. This is considered treatment in progress and is excluded.

Emergency Care Benefit: (page 7)

Provides coverage for relief of Pain, Bleeding and Infection if you are unable to reach your EDS General Dentist. Follow-up or additional treatment must be done by your EDS General Dentist.

The maximum allowable reimbursement for a dental emergency is \$200 minus any member costs that are listed in the Schedule of Benefits.

RX Discount: (page 8)

A prescription discount plan (not insurance) is a benefit included at no additional charge.
